

July 2020 Update

In order to be able to deliver the LSES programme from September 2020 we have taken out a subscription for “Zoom” to enable LSES lectures to be seen live online

The committee has discussed a reduction in subscriptions for 2020-2021 because we have lost 3 lectures in this year already and it is not clear what will happen in September.

We have been unable to hold an AGM so far this year; this would have been necessary to change the subscription so the committee has decided to leave it at £30/head and to review the situation at the end of the financial year in March 2021.

Membership renewal letters, the 2020- 2021 programme card and information about the Erasmus Darwin Lecture and the LSES Dinner will be sent out in late July when details become clearer.
